

Information Technology Specialist

Come be a part of our Information Technology (IT) Summer Family here at Rye Playland Park. As part of the IT Division you will see a whole different side of the park than the public sees. This job is highly competitive and ever changing and adapting.

Job Duties:

- Install and set up hardware for upcoming season.
- Perform routine checkup of all systems to ensure proper functioning.
- Troubleshoot multiple technical problems that may arise in the park.
- Assist different divisions with computer related problems and requests.
- Perform other related duties as assigned and necessary.
- Maintain a clean, orderly and safe work area.

Minimum Qualifications:

- Must be able to work flexible hours, weekends and holidays.
- Good communication.
- Network Experience (cable pulling, terminating, troubleshooting).
- Ability to follow oral and written instructions.

The County of Westchester is an Equal Opportunity Employer.
